

**IMMIGRATION COUNSELING CERTIFICATE**

(EUSA REG 600-240)

DATE:

**STATEMENT**

In accordance with EUSA Reg 600-240, the following has been explained to the undersigned:

1. **WARNING:** The fact that a marriage takes place between a US service member and an alien does not mean that the alien spouse is automatically allowed to enter the United States. A visa, issued by the US, is required to enter the US lawfully for residence. The US military has the authority to approve or disapprove an application to marry. Other US agencies are responsible to determine whether a visa should be granted.

2. **Entry of Aliens:** An alien is any person not a citizen or national of the United States. A valid unexpired immigrant visa is required for an alien to be admitted to the United States. A valid unexpired passport or other suitable travel document issued by the alien's country of citizenship is also required (8 U.S.C. Section 1101(a)(3) and Section 1181(a)).

3. **Persons Not Allowed Visas:** Unless otherwise provided by the United States Code, the following persons shall be ineligible to receive visas and shall be excluded from admission to the United States (8 U.S.C. Section 1152):

\*a. Aliens afflicted with mental illness, sexual deviation, or who are mentally retarded, insane, or have had attacks of insanity.

\*b. Aliens who are narcotic addicts or alcoholics.

\*c. Aliens who have tuberculosis, venereal disease, or any other dangerous contagious disease.

d. Aliens who have any other disease or defect that may affect the person's ability to earn a living.

e. Aliens who are paupers, vagrants, or professional beggars.

f. Aliens convicted of a crime involving moral turpitude, such as theft, rape, assault and battery.

g. Aliens convicted of two or more offenses.

h. Aliens who are prostitutes, who have engaged in prostitution, or who have received in whole or in part the proceeds of prostitution.

i. Aliens who, in the opinion of the U.S. Consul Office or the U.S. Attorney General, are likely to become public charges.

j. Aliens who try to obtain or have obtained a visa by fraud or by willfully misrepresenting a material fact.

k. Aliens who have been convicted of a violation of narcotics or marijuana laws.

l. Aliens who are anarchists, opposes of organized government, advocates of violent overthrow of the government, or affiliated with the Communist Party.

4. **Right to Appeal Exclusion:** a. Where the decision has been made by the US Consulate not to allow an alien to enter the United States, the alien has the right to appeal to the US Attorney General.

b. This right to appeal does not apply to a person denied the right to enter the United States because the alien is afflicted with any of the defects or diseases marked with an \*in paragraph 3, above (8U.S.C. Section 1226).

5. **Privileges:** Eligibility of dependents for military privileges is outlined in AR 600-240.
